'Phantom Car' Will Feature Bargain Event

Retailers' Novel Stunt To Attract Crowds Today

One of the largest crowds in the history of Redwood City is expected this afternoon at 2:30 when a driverless, riderless automobile will take complete command of the streets in an actual demonstration of remote radio control as the main feature of "Bigger Bargain Days" being staged by merchants here all day Friday.

The "phantom automobile," a Chevrolet sedan, is regarded by scientists as one of the creative wonders of the age and follows with the successful experiment in operating a battleship and an airplane from a radio station on land.

Principal A. C. Argo of the Sequoia high school today announced that an effort will be made to allow all students and teachers to witness the educational demonstration.

This will be the only opportunity to witness the spectacle in this locality and everyone is urged to be downtown on time in order to see it.

The radio apparatus which sends out the ether waves controlling the car is valued at more than $10,000, according to Capt. J. J. Lynch, famous radio engineer, who will operate the control car.

Mayor to Ride

Invited to ride in the control car as guests of honor will be Charles G. Lambert, new mayor of Redwood City; E. A. Rolison, city manager, and Edward T. Harrison, president of the chamber of commerce.

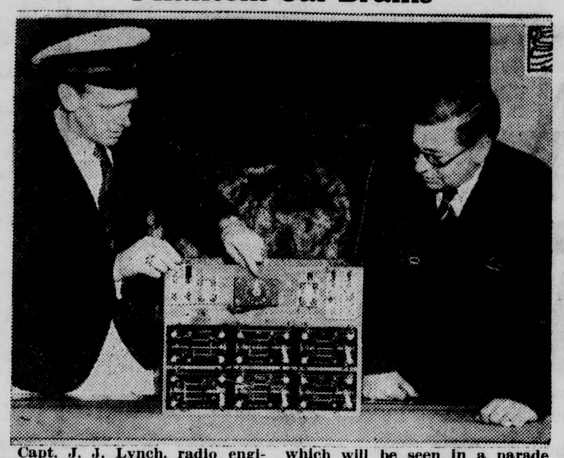
Practically every store in town is offering exceptional bargains in merchandise for Friday, announcements of which are made in the advertisements in today's Tribune.

Route of 'Phantom'

The "phantom" car's route will be as follows:

Starting promptly at 2:30 o'clock from the showrooms of the Davies Auto Company, 1502 El Camino Real, the car will proceed to Broadway, where it will make a left turn and proceed one block, there circling and returning on Broadway, crossing El Camino Real down Broadway to Main street. It will make a "U" turn at Main and Middlefield road, returning up Main and Broadway to California street, and left on California street to James street, where it will terminate its run.

Phantom Car Brains



Capt. J. J. Lynch, radio engineer (left above), is shown here explaining the intricacies of the principal device used in the remote radio control of the mysterious "Phantom Chevrolet," which will be seen in a parade here tomorrow at 2:30 o'clock. The driverless automobile is part of a Friday "Bargain Days'" event which the merchants are holding.

PUBLIC SCHOOLS TO PRESENT PROGRAMS WEEK OF APRIL 23

Plans for the observance of Public Schools Week in Redwood City were announced today by a committee composed of John Gill, superintendent of city schools, who will be chairman; Clarence Argo, principal of Sequoia Union High School, and Louis Dematteis, Redwood City lawyer.

The week of April 23 to 27 has been set aside for the event.

On Tuesday, April 24, the public will be invited to a program to be given in the McKinley School auditorium beginning at 8:15 o'clock. Dematteis will be chairman.

Dr. Elmer Staffelbach, professor at San Jose State Teachers' College, will be the principal speaker. His subject will be, "Critical Issues in Education." Students of the high and elementary departments will present entertainments.

Friday night, April 27, Sequoia will hold its annual "Citizens' Night," at which time the school will be thrown open to the public for inspection. The event will begin at 7:30 with a short program, after which parents will be invited to inspect the premises and to confer with teachers on any problems.

Throughout the week the Central School will hold an art exhibit which will be open from 9 to 5, and also on Wednesday and Thursday evenings.

Service clubs and veterans organizations in Redwood City are joining in the observance, which will be held throughout the state. These groups will attend the services in a body.

The purpose of the week is to make the citizens "school conscious" and to acquaint them with what the schools are accomplishing and what problems are being faced.

San Carlos 'No Fire' Record Is Shattered

SAN CARLOS, April 16.—Its five months' perfect record was broken at 9 o'clock last night when the San Carlos Fire Department was called to the home of A. E. Rishel at 508 Elm street to extinguish a small blaze. No damage was caused by the fire, which is reported to have started from a floor furnace.

Last night's fire was the first in the city since last November.

Tanforan Plans $100,000 Worth Of Improvements

Tomorrow (Saturday) the Tanforan Spring Special will be the feature attraction of the day at Tanforan race track in San Bruno. For several seasons the track has offered this attractive event during the spring meetings, and it has won wide popularity among stable owners.

The feature will be a mile and a sixteenth, and will offer the outstanding distance horses at the track an opportunity to show their ability. The race will be for three-year-olds and upward, and the stake will be $1,000 added.

Reports from the track this week indicate the option play during the present meeting is near the million-dollar mark, showing confidence in the present management, which has won the commendation of the California Horse Racing Board. Because of the increased popularity of horse racing this season, an extension of 20 days has been granted by the state board on application of J. W. Marchbank, director general of Tanforan. This will give the meeting a total of 50 days racing.

According to information from the track, this meeting has been one of the most successful ever held in San Bruno. This week Marchbank announced he is planning $100,000 worth of improvements at Tanforan during the coming year, having been assured by the state board of spring racing dates next year.

SAN MATEO, Apr. 18.—There was plenty of fuming about the Mills Memorial Hospital this morning until members of the San Mateo Fire Department donned gas masks, went over the top, and stopped a leak in ammonia pipes connected with the hospital's refrigeration system.

Famous Flyer Declares Army Corps Not to Blame for Airmail Trouble

COL. ROSCOE TURNER, one of the nation's two or three outstanding flyers, declares that the Army Air Corps should not be criticized for difficulties encountered when it was called on to transport commercial airmail because special training and equipment were needed. Colonel Turner is shown above with the Bendix trophy awarded him for setting a new transcontinental speed record, the Harmon trophy for the outstanding achievement in aviation in 1933, and the Thompson trophy for winning the principal speed event at the National Air Races but which he later lost through a technicality.

Board Rejects Garbage Plea; Rossi Warned

Woodside Road Funds To Be Available By July 1st

The San Mateo County Board of Supervisors today voted unanimously to reject a permit asked by the City and County of San Francisco to dump garbage at Mills airport, in San Bruno. San Francisco civic leaders sent a special delegation to Redwood City two weeks ago to request the permit.

The board also went on record instructing Mayor Angelo Rossi and the San Francisco Board of Supervisors to discontinue dumping garbage at Bayshore City or any other point on the peninsula.

District Attorney Edmund Scott was instructed to proceed against any violations.

Motion for rejection of the permit was made by Supervisor Albert Witt, Colma, and was seconded by Supervisor John Poole, Redwood City.

Back Woodside Road

The supervisors backed Supervisor Poole's request that the county assure the City of Redwood City that the requested $2150 for the Woodside road ditch project will be made available.

Engineer James S. James said that the project was one included in a list submitted today to the SERA board for approval and that when federal funds are appropriated the county road department will make the $2150 available.

The city will be informed that San Mateo county will make the money available by July 1.

Weed Control Studied

Request of residents of North Palo Alto that a weed abatement district be formed to rid the area of an invasion of yellow star thistle was referred by the board to the county planning commission, County Engineer James and Agricultural Commissioner Max Leonard.

The board, upon motion of Supervisor Poole, instructed the district attorney to prepare the necessary ordinance creating a weed abatement district.

To Inspect Bees

The agricultural commissioner was given permission by the board to name an inspector of bee colonies to eradicate the American foulbrood disease which threatens to wipe out the industry in this county.

The cost will not exceed $250.

An ordinance providing for the duties of the county health board was adopted.

Engineer James protested the expenditure of any funds on the Mori Point road because it is not a county thoroughfare. The matter was referred to the recreation commission.

The Montara Lighting District withdrawal appeal was continued one week.

Sheriff to Act

Sheriff James J. McGrath was authorized by the board to enforce the new county camping ordinance recently adopted to control agitators in the pea picking fields.

Fixing of legal publishing rates was delayed for one week by the board pending a study of figures presented today.

Tank Matter Not Up

Henry Wohlken, Dumbarton Oaks service station man, did not appear before the board to request a permit for maintaining two 25,000 gallon gasoline tanks which property owners had protested.

The planning commission rejected the plan and said that Wohlken planned to remove the tanks by May 1.

Traffic Squad Gets New High Speed Car

San Mateo county's traffic squad today had a new high-speed, supercharged automobile to meet the demands made by Bayshore highway speeding. Two other new cars are expected next week. Three new officers are expected to be detailed to the county soon.

The new machine is said to be capable of a speed of 80 miles per hour in second gear and 110 in high.

In a brake raid at Millbrae yesterday 20 cars were cited for defective brakes, and 250 were passed as in good shape.

Kreiss Family Has Accident In San Mateo

Gloria Ames, Heiress, Collapses From Nervousness

Four persons were injured, including Traffic Officer Chester Kreiss, in a head-on automobile collision at El Cerrito avenue, near El Camino Real, San Mateo, Wednesday.

Kreiss suffered cuts and bruises; his wife, Neola, 532 Oak street, incurred two cuts of the arm and bruises, and their son, Clifton, 12, incurred a bruise of the neck.

Miss Gloria Ames, 23, Hillsborough debutante and heiress, driver of the other car, suffered a deep cut over the right eye and collapsed from nervous shock.

Forcer Into Tree

The girl, daughter of the late Frank Ames, millionaire ice cream manufacturer, turned her car west into El Cerrito avenue, off El Camino Real, at the moment of impact, San Mateo police reported. The mishap occurred at a late hour last night. Miss Ames' car forced the Kreiss machine into a tree.

Taken Home

Later, Miss Ames was removed to the family estate at 420 Roblar road by her sister, Miss Dorothy Ames.

Noted as one of the most beautiful girls in the peninsula younger set, Miss Ames made her debut in 1929 following her return from the fashionable Miss Spence School in New York. Her father, president of the National Ice Cream Company, died last September 12.

Auditor Stack To Be Opposed

Candidate Is Former Postmaster From Burlingame

Reports that he would be a candidate for the office of county controller were confirmed today by J. C. Beard, former postmaster of Burlingame, who formally announced his opposition to the re-election of the present office holder, Edward M. Stack.

Beard served as postmaster of Burlingame for 21 years. During the period of the World War the office was the central accounting office for the county. His rating in the postoffice secured his reappointment from both Republican and Democratic administrations.

The candidate has been a taxpayer in San Mateo county for 30 years and has raised and educated his family in Burlingame.

Stack, present county auditor, will run for re-election in the August primaries. He has been a member of the official San Mateo county family for 20 years. He also resides in Burlingame.

The office of auditor under the charter is renamed controller.

Local Man Hurt, Other Motorist Placed in Jail

Louis C. Betschart, 54, Newark farmer, was jailed shortly after midnight on Monday on a charge of drunken driving following a collision at the intersection of Bayshore highway and Chestnut street in which Glen Stoner of 141 Whipple avenue was injured.

Stoner was cut about the hands by flying glass. Betschart himself was cut about the face.

The accident occurred as Stoner was crossing the Bayshore highway, according to the report of Police Officers Herman Fleishman and H. J. Fitzgerald. Betschart's automobile collided with Stoner's car causing it to overturn.

Betschart stopped about a block from the scene of the accident, the officers reported.

"KITCHENEERING" EXPERT

MISS ESTELLE CALKINS

COOKING SCHOOL WILL OPEN MAY 2 IN McKINLEY SCHOOL

"Kitcheneering" will be here for three days beginning May 2.

This information was received today from Julia Lee Wright, director of the Safeway Stores Homemakers' Bureau.

"Kitcheneering," which has been defined by Mrs. Wright as "making an art out of the science of cooking," is recognized by home economic experts as the most informative and complete cooking school ever to be presented. It is now in its third year, with the 1934 edition scheduled to be presented here by Miss Estelle Calkins, who will act as Mrs. Wright's personal representative.

Hundreds of local women are familiar with the work of the Homemakers' Bureau either through attendance at "Kitcheneering" cources, through the weekly radio broadcasts throughout the area west of the Mississippi conducted by Mrs. Wright personally, through leaflets and bulletins posted regularly on the bureau's bulletin boards in Safeway Stores, or through correspondence which the bureau invites.

With such a strong staff to assist her, and with the many advantages placed at her disposal, experts agree that Mrs. Wright might well be expected to work wonders. Experts also agree that she has done so. And local housewives are invited to attend the three-day course in "Kitcheneering" Wednesday, Thursday and Friday, May 2, 3 and 4, at McKinley School.

Officials in charge of "Kitcheneering" locally announce that doors will open each day promptly at 1 o'clock, and that Miss Calkins will begin each day's course at 2 o'clock.

Outside Jurist To Be Called In Baden Case

Vigilante Committee Formation Urged By Letters

Superior Judge Franklin Swart suddenly withdrew from the arraignment of 14 Baden Kennel Club defendants on Monday and decided not to put to a test his right to sit in the case.

The jurist said that he had been advised by his physicians to avoid "any excitement" and had been told that the Baden case would prove a "dog fight."

"I have no desire to referee the fight," Judge Swart said.

Arraignment of the 14 defendants recently indicted by the grand jury was then continued from day to day until the judicial council names an outside judge to come here.

Judge Swart did not admit prejudice against the dog tracks as Attorney Joseph J. Bullock had charged in a disqualification move made last week. Bullock held that the jurist's answer was in itself proof of prejudice.

Judge Swart has not been in the best of health for some time, it is known. He went east in behalf of his health last year.

Vigilante Group Urged

Formation of a San Mateo county vigilante committee to clean up gambling in San Mateo county today was urged in letters received by Superior Judge Franklin Swart following the statement that he filed Saturday fighting attempts to disqualify him from sitting in the Baden dog track case and scoring the gambling interests.

Judge Swart today revealed that he had received "hundreds of nice letters" praising his stand against the dog tracks. The judge said that he had not received any threatening or crank letters.

The suggestion for a vigilante committee urged that at least 500 San Mateo county citizens join forces in a drive against gambling influences in San Mateo county, which were scored heavily by Swart.

The jurist carried his fight before a mass meeting of 1,500 persons at the San Jose High School yesterday in which a movement was inaugurated to form a Good Government League of 10,000 Santa Clara county citizens to suppress gambling, vice and "boss rule."

Judge Swart was chief speaker at the gathering. He declared that the dog tracks were supported by workers earning between $15 and $20 a week each and asserted that the state should take a hand in the San Mateo county gambling situation.

Warning against proposed new legislation to liberalize gambling restrictions was also sounded by the San Mateo county jurist.

W. Marchbank, reputed political

Judge Swart asserted that John boss of San Mateo county, was present at the San Jose mass meeting.

"Moral conditions in Santa Clara county are the worst in 30 years," stated the Rev. C. B. Sylvester, pastor of the First Methodist Church of San Jose and contact member of the "Secret Seven," organized to combat vice. "Something must be done and done at once to curb the forces of vice and corruption. We are calling on the constables of Santa Clara county to exercise their rights and clean up the dives."

Resolutions were passed calling upon the state board of equalization to revoke the liquor licenses of six establishments which were declared to be serving hard liquor to boys and grils.

Alecia McDonald's Plea Is Considered

Superior Judge Franklin Swart will seek the advice of an advisory committee from the San Francisco Medical Society in determining what medical fees and costs he will award to Mrs. Alecia McDonald, estranged young wife of James McDonald III, for the recent birth of a daughter.

Mrs. McDonald is requesting about $1,900 for fees and costs in addition to $200 a month additional for support of herself and her child.

J. E. Cooper is now Mayor J. E. Cooper, and Irving F. Dunn and Henry Carroll are now Councilmen Dunn and Carroll, following their installation in office Monday night during a public ceremony of political axe-burying in the tiny city council room on El Camino Real.

As much of Menlo Park as could wedge its way into the council room, and as much more as could peer in through the front window from the street outside, speeded the defeated and departing councilmen with cheers, welcomed the victorious and incoming councilmen with more cheers, and listened in dumbfounded astonishment when Councliman E. H. Hart arose to excoriate Menlo Park's political haters and to recommend abolition of municipal elections in the town in the future.

Monday's session opened with the old city council meeting to mop up the unfinished business and then proceeding to canvass of the vote.

The canvass revealed the following result: J. E. Cooper, 477 votes; Henry Carroll, 440; Irving Dunn, 429; and William Nesbitt, 311; E. J. Crane, 308; W. E. Dale, 284.

Cooper, Dunn and Carroll then took the oath of office from Mrs. Fannie Kurtz, city clerk.

Judge John Classen, the Atherton capitalist, passed away on Monday last following a short illness. The deceased was the first city judge of Atherton, holding the position for several years. Classen is survived by a son residing in San Francisco.

The Menlo Park postoffice will occupy its new home in the Maloney Building today. Postmaster Larrecou, with his assistants, moved the fixtures last evening, working until after midnight. According to a ruling of the department, no parking will be permitted in front of the building.

J. Orton has leased one of the stores in the Maloney block and will shortly move from his present quarters in the Artina Building.

A pastor for the Church of the Nativity will not be appointed for some time as the Archbishop, E. J. Hanna, is in the east and a selection will not be made until his return. It is said that there are a number of applicants for the position.

Cribbins Will Contest School Board Outcome

BURLINGAME, April 18.—Walter W. Cribbins, San Francisco advertising expert, today was revealed to have written a letter to District Attorney Edmund Scott asking that the San Mateo County Grand Jury investigate the recent Burlingame elementary school election which Cribbins lost.

The successful candidate was Mrs. A. M. Jeppson.

Cribbins alleges that the election officials allowed non-eligible residents to vote.

Two Divorce Decrees Given By R.C. Court

Two interlocutory decrees of divorce today had been granted by the San Mateo county superior court.

Mrs. Louise L. Barker was given a divorce from Bernard B. Barker, East Palo Alto mill man, by Judge Franklin Swart. She also won custody of their children and $50 a month for support.

Mrs. Louise Franklin won a decree from George Franklin, San Mateo laborer, in Department No. 1 from Judge Maxwell McNutt on the alleged ground of cruelty. Custody of their two children and $25 monthly was awarded Mrs. Franklin.

Pioneer Clubs Enjoy Evening Bean Feed

Forty-five boys, members of the Pioneer clubs of the Young Men's Christian Association representing Palo Alto, Mayfield, Ravenswood and Las Lomitas groups were in attendance at a bean feed put on by the Bret Harte and Fulton Pioneers of Ravenswood on Friday evening at the Ravenswood School.

The food was set up and prepared by the boys themselves.

W. M. Kelley of Palo Alto talked on sportsmanship on the track and the difficulties which a starter sometimes faces in track meets. Jack Whipple, a member of the Daniel Boone Pioneer Club of Las Lomitas School, was presented with the gold Pioneer button by Roy A. Hohberger, the local Y. M. C. A. secretary.

Burro meat is offered for sale in butcher shops in Las Vegas, Nev., and a few other towns in the desert area of the Southwest.

Child's Damage Claim Compromise Approved

Compromise of the claim of Betsy Reeves, 5-year-old daughter of Hampton R. Reeves of Burlingame, for damages for personal injuries against Richard W. Ford because of an automobiel accident on March 17 for $730 was approved today by Superior Judge Maxwell McNutt.

Mark B. Summers Files Divorce Suit

Mark B. Summers today filed suit for divorce in the superior court here against Dorothy Summers with cruelty as the asserted ground.

The complaint declares that they were married twice, once in Reno on July 11, 1928, and a second time on November 11, 1928, because it was believed that the first ceremony was invalid. The couple separated on October 23 last, according to the suit. Rudolph J. Scholz is attorney for the plaintiff.

Camping Period of Y. M. C. A. Boys To Be Extended

The camping period for Young Men's Christian Association boys will be extended this summer. According to B. L. Werder, chairman of the Y. M. C. A. camp committee, boys may attend the summer camp in San Mateo County Park for one month.

Previously a two weeks' camp for each age group has been provided. Now boys of any age between 8 and 18 may attend either for one, two, three or four weeks as desired. As in previous years, any San Mateo county boys may attend the camp whether or not he is a member of the "Y."

Three separate camp programs will be conducted at the same time, one for Friendly Indians, one for Pioneers and one for boys of high school age. Each area will be under expert direction and the program will be designed to fit the age of the boy.

Other improvements reported include the installation of hot and cold showers, the building of trails and leveling of play areas.

One of the features of the recent Y. M. C. A. meeting was the awarding of three master Pioneer medals to boys. The medals were presented by George J. Davis for outstanding achievement to Clark Harris, Lawrence Card and Billy McCarthy.

Those present at the meeting were Dr. A. J. Belton, Wm. H. Eddy, Herbert Harris, James S. James, A. M. Jeppeson, O. H. Olson, Elmer Roberts, Richard Cannon, George J. Davis, Earl Kuhn, Donald Bogie, C. M. Doxsee, Wm. Girvin, Wilbur Doxsee, J. E. Morrish, B. L. Werder, Rev. Arthur Brett, J. H. Acheson, Frank H. Boring, R. B. Davis, Harold Coleman, G. Stanley Whitehead, Rev. A. Adam Morten, I. H. Potter, Glenn Kenyon, R. A. Hohberger and R. W. Simcock.

SADDLE HORSE STRIKES TRUCK IN ODD CRASH

Saddle horse and truck collided at Roosevelt avenue and King street Sunday afternoon in one of the year's most unusual accidents.

The horse was badly cut on its breast, and one window in the truck was smashed in the impact.

The collision occurred when the horse, ridden by Edward Fabbri of 818 Vera street, sped out of King street onto Roosevelt avenue and collided with the truck, which was driven by Ernest I. Browne of 412 Stambaugh street.

Fabbri told him that he was unable to stop the horse and avert the crash, reported Police Officer H. J. Mengel, who investigated the collision.

The horse is owned by Dan Foley.

Nine tenths of the population of India live in villages remote from political activities.

The great *cause* of blow-outs is eliminated before it begins. No wonder thousands are changing to this tire proved 3-times-safer—gives months of extra mileage, too! Come in today and see it.
